MISSIONS GUIDE

CHOICES AND CONSEQUENCES

In a parenting moment with one of our kids years ago, I remember them tell me, "Consequences, consequences, that's all I hear about are the consequences!" The book of Deuteronomy is all about choices and consequences. Chapter 30: 15-16 says, "See, I have set before you today life and prosperity, and death and adversity; in that I command you today to love the Lord your God, to walk in His ways and to keep His commandments and His statutes and His judgments, that you may live and multiply, and that the Lord your God may bless you in the land where you are entering to possess it."

I know we may get tired of hearing it, but the Christian life is all about choices and consequences. How will I spend my time? How will I spend my money? Regarding our involvement in missions, Keith Green said it best, "Jesus has already commanded us to go (Matt.28), It is really a question of if God wants us to stay." How will you choose to use your time for the Lord in 2026? Will you choose to be part of one of God's missions' opportunities for DMBC over the next year? Our pastor said it well in saying, "We can't be everywhere in the world, but by God's grace we've got to be somewhere."

God has opened some incredible doors of ministry for our church for 2026. God willing, we will embark on missions here in our community, in our country, and to the uttermost parts of the earth! This year we have an opportunity for every person in our church! We are looking forward to new partnerships in the Dominican Republic and New York City and well as Year 2 of our Mission Maryville Outreach in July.

I pray that you will take this Missions Guide and keep it in your Bible and pray over this calendar into the new year. If you can't go on one of these trips, then please partner with us in prayer and consider how you could help support these great efforts financially. My wife and I thank you for 16 wonderful years that y'all have allowed us to serve the Lord here at Dotson. We love you and are glad to be a spiritual family with you.

In Christ,
Pastor Sean

We are thrilled to share that God has opened an incredible opportunity for us. We are planning a transformative mission trip to Santiago, Dominican Republic, for youth and adult chaperones. Our work will be in collaboration with a local Baptist church, where we will engage in evangelism at a large public school serving 750 students, organize a family event, and share the Gospel in the streets and parks of the community.

This mission trip includes a remarkable outreach initiative for the 750 children, as the school principal has granted us permission to present the Bible to each student throughout the week.

We will conclude our week with an exciting block party at the local church, which is eager to launch a new children's ministry aimed at following up with interested kids and families.

This mission partnership with Samaritan's Purse's ministry, Operation Christmas Child, offers a wonderful opportunity. We will be assisting at their distribution center in Charlotte, NC, marking our fourth time helping to pack shoeboxes. It's just a four-day trip, and it is genuinely an honor to contribute to this Gospel-sharing ministry.
